

Precision Automated

Warranty

Thank you for choosing a Precision Automated System.!

**A CERTIFIED PRECISION AUTOMATED INSTALLER MUST INSTALL THE AUTOMATION SYSTEMS,
OR THIS LIMITED WARRANTY IS VOID.**

This limited warranty applies only to physical goods purchased from Precision Automated.

What does the limited warranty cover?

During the warranty period, Precision Automated will repair or replace products or parts of products that prove defective under normal use.

What will we do to correct the problem?

Precision Automated will replace defective products with either new or refurbished replacement parts. The type of parts used for replacement is at the discretion of Precision Automated.

How long does the coverage last

The Warranty Period for Physical Goods purchased from Precision Automated is 24 months from the date of purchase. Any replacement product or part does not extend the limited warranty.

What does this limited warranty not cover?

THIS WARRANTY DOES NOT COVER DAMAGE OR DEFECT CAUSED BY misuse, improper application, unauthorized modification of the product, wrong or inadequate electrical current or connection, negligence, repair by a non-certified Precision Automated installer, exposure to the elements, water, or other corrosive liquids, Acts of God, theft or loss of product.
